EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Linda Shapiro (the Undersigned Attorney, Reg. No.28,264) on 6/7/2007.

The application has been amended as follows:

IN THE CLAIMS:

Please **amend** claims 37-39 as follows:

--37. (*Currently Amended*) A combination enterprise network and enterprise network management portal system comprising the system of claim ~~[[0]]~~ 22, and further comprising at least one enterprise network, wherein the at least one enterprise network includes:

at least one server system and

a plurality of computer network management means for monitoring the status of the at least one server system and generating management data concerning monitored operating events of the at least one server system that are in need of correction.

38. *(Currently Amended)* The enterprise network and portal system of claim [[0]] 37, wherein the portal means includes:

(a) management interface means for providing application and data interface functionality between the at least one computer network management means and the client; and

(b) workflow means for receiving the management data from the plurality of computer network management means and providing in response to the management data one or more workflows for responding to monitored operating events that are in need of correction.

39. *(Currently Amended)* The enterprise network and portal system of claim [[0]] 37, comprising a plurality of enterprise networks, wherein the system of claim 22 monitors and manages the plurality of enterprise networks, and wherein the portal means provides all the management data to one client external to the plurality of enterprise networks.--
